Allerton Park and Retreat Center is pleased to announce our 7th annual Summer Concert Series. This outdoor concert series features local and regional music performances, food trucks, drinks, and family activities. Bringing the community together for a night on the Gatehouse Lawn, these concerts create a perfect opportunity for local artists and artisans to promote and sell their work to a wide audience. Our summer concerts draw anywhere from 500-1000+ people from the area to share in a fun-filled evening at Allerton Park.
