Allerton Day Camp 2022

FAQ

What is Allerton Day Camp all about?
Allerton Day Camp is all about discovering art and nature while having fun outside! Each week of camp has a different topic, but they all share a common goal of spending quality time outdoors. We hike every day, play countless games and explore the art and nature found only at Allerton Park.

Where is camp held?
Camps are held in one of three different buildings in the Park. Your registration materials will include detailed information about where to drop your camper off.

Do you offer extended day?
Yes! We offer BEFORE and AFTER care to extend the camp day. Times are listed on your registration form. Participants must be pre-registered to use Extended Day.

Participants may be dropped off 5 minutes prior to the start of camp and will be allowed a 5-minute grace period after the end of camp. If you need care earlier or later than those times, you are required to sign your child up for Extended Day. Regularly late pick-ups will be charged a P.M. Extended Day fee for that week.

When is the deadline to register?
Camp registration continues all summer. Registration closes for individual weeks of camp 14 days prior to that camp.

Can I reserve a spot in camp?
Yes! You can hold your child’s spot in camp with a non-refundable deposit of $20 per child per week. Your spot will be held until payment is due 10 business days prior to the start of camp. If payment is not made 10 business days prior, the spot will be opened up to the waitlist without refund of deposit. When payment is made, your deposit fee will be applied toward total camp fees.

Do you offer any discounts?
Yes! Registration and full payment of 4+ weeks of camp at once (any 4+ weeks of camp during the summer) will result in a 10% discount of registration fees. Please note that this transaction must be made all at once. Families are eligible for this discount if they split 4+ weeks between multiple campers in the same household.
My camper is attending Adventurers Camp. How do I set up rides to the pool with Piattran? Piattran provides Allerton Day Camp rides to and from the pool as well as providing a transportation alternative for parents getting kiddos to and from camp!

To set up rides, you need a current Rider Intake Form (less than 1 year old) on file with Piattran. You can submit this to their office yourself or through Allerton at least two weeks prior to camp. Contact Piattran directly to arrange payment of rider fees.

Piattran
Piatt County Public Transportation
1925 North Market Street
Monticello, IL 61856-8144
Ph: (217) 762-7821 Fax: (217) 762-7594
Email: ride@piattran.org

Do we need to purchase a pool pass?
Campers should either have a pool pass to the Monticello Family Aquatic Center or bring $6 per pool visit to camp. Camp staff will collect pool money and pay in one transaction to leave more time for swimming! MFAC has early bird pool passes available on select dates.

What is your cancellation policy?
Participants may cancel their registration and withdraw from camp up to 10 business days from the start of camp and receive a full refund of the registration fee minus a $20 administrative fee. If a participant cancels fewer than 10 business days prior to the start of camp, they will be charged the full fee for that camp.

We will give a full refund for any camper who is not able to attend because they test positive for COVID-19 or have COVID-19 symptoms prior to the start of their week of camp.

What COVID-19 policies should we know about?
In accordance with University of Illinois policy and to protect the safety of staff, participants, and the community, proof of COVID-19 vaccination or proof of a negative COVID-19 test is required for all participants 5 and over. Printed or digital proof must be presented showing full vaccination, or a negative COVID-19 test taken within 72 hours of camp arrival. At-home COVID-19 test results will not be accepted. Unvaccinated campers will be required to take a COVID test partway through their camp session. Masks will be required while indoors unless guidelines change. More information about these and other safety protocols will be provided after registration.
