

The Allerton Park Bird Club (APBC) represents and supports the birding community of Allerton Park and Piatt County, IL. The mission of the APBC is:

- To promote the observation, enjoyment and study of birds.
- To provide opportunities for birders to become acquainted and to share information and experience.
- To maintain well documented records of bird sightings in Piatt County
- To support the protection, conservation and research of birds and their habitats.
- To promote educational opportunities in bird and nature study.

Membership:

Individual: \$20

Family: \$40

All funds will be used to promote bird education and/or conservation at Allerton Park and/or in Piatt County.

Membership Benefits:

- Free registration to all bird related hikes into the Allerton Natural Areas
- Free rentals of Bird Club Binoculars on a first come basis
- Allerton Park Bird Club sticker
